

Flow Determination Request

A	How much land area will be contributing drainage runoff to your system. Please enter the area in units of square feet or acres.	
B	If the area you provided is in units of square feet, Type 1. If the area you provided is in units of acres, Type 2.	
C	Enter the total percentage of the contributing area consisting of concrete and/or asphalt. The percentage provided should include all concrete and asphalt areas.	
D	Enter the total percentage of the contributing area that is a lawn or man-made landscaping. The percentage provided should include all lawn and man-made landscaping areas If you would consider this area to be 0-50% vegetated, type 0.1. If you would consider this area to be 50-75% vegetated, type 0.2. If you would consider this area to be 75-90% vegetated, type 0.25. If you would consider this area to be >90% vegetated, type 0.3. If you would consider this area to be 100% vegetated, with heavy brush & trees, type 0.6.	
E	Based on your entries in C & D, the total percentage of undisturbed land in the contributing drainage area is: If you would consider this area to be 0-50% vegetated, type 0.1. If you would consider this area to be 50-75% vegetated, type 0.2. If you would consider this area to be 75-90% vegetated, type 0.25. If you would consider this area to be >90% vegetated, type 0.3. If you would consider this area to be 100% vegetated, with heavy brush & trees, type 0.6.	
F	What is the approximate distance in feet from the farthest end of the drainage area (upstream) to your point of capture? Please enter in feet.	
G	How many linear feet of Distance F above spans across asphalt or pavement?	
H	How many linear feet of Distance F above spans across a lawn or man-made landscaped area?	
I	How many linear feet of Distance F above spans across natural or undisturbed area?	
J	What is the approximate difference in elevation from the upstream end of Distance F to the downstream end of Distance F?	
K	Is your project in the United States? (Type Y for yes or N for no.)	
L	What State will the project be in? (Type in the Name of the State or Correct Abbreviation.)	
M	What County or Parish will the project be in? (Type in the full name of the County or Parish.)	
N	What country or territory do you live in? If your project is not in the United States, a country or territory must be provided.	
O	What other information can you provide to us about where your project is?	
P	Please email a copy of the completed form to us at rst@agrateconcept.com. You will receive a response within 2-5 business days. If you do not, please call 1-830-367-4992 to receive assistance. Thank You.
